Through innovative practice and systemic change***

2022 NYSPA Perinatal Partnership Conference

June 9-10, 2022

We're Back - Resuming in-person!

Hilton Hotel, 40 Lodge St., Albany, NY

Call for Session Proposals

The New York State Perinatal Association's Annual Perinatal Partnership Conference is the *premier* maternal/infant health professional education conference in New York State, traditionally drawing an average of 200 - 250 health and human service providers and professionals from across the state. Linked to the multi-disciplinary focus of NYSPA and intention for cross-disciplinary collaboration and education; conference registrants include obstetricians, pediatricians, neonatal and maternal-fetal specialists, midwives, nurse practitioners, nurses, genetic counselors, social workers, nutritionists, lactation consultants, public health, community-based and social services professionals.

The 2022 Conference Planning Committee invites proposals for plenary and workshop sessions, as well as abstracts for poster presentations.

2022 Conference Title:

Improving Perinatal Outcomes & Equity through innovative practice and systemic change

Date:

June 9-10, 2022

Location:

Hilton Hotel, Albany, NY

Conference Format:

- 5-7 Plenary Sessions: Duration: 1 – 1.25 hours (including Q&A)
 - 8-12 Workshops: Duration: 1 hour (including Q&A)
 - Poster Displays: Duration: throughout conference; Peer reviewed
- 2 tracks: a) Research & Clinical Practice
b) Public/Community Maternal/ Child Health
successful programs or promising practices**

Theme subcategories: The NYSPA Conference Planning Committee invites health and related professionals to submit proposals for presentation at the 2022 conference. The goal for this 2 day conference is to present the latest research, policies, best practices and evidence based information on that impact maternal health and care, and birth outcomes.

Please consider the following subcategories for proposals, recognizing your individual or your group's knowledge and experience in the areas of clinical care, community, public and environmental health strategies and expertise related to maternal-child health (MCH):

- A. Clinical advances and/or best practices for maternal or infant care;
- B. Promising and/or best practices for community-based maternal infant health care/services
- C. Current & emerging issues in perinatal health & potential solutions
- D. Advances in genetic testing and applications
- E. Evidence-based programs: clinical research or implementation
- F. New areas of research or best practices in obstetrics, pediatrics and MICH
- G. Policies affecting MICH and their impact

Process: Complete the proposal application below.

Submission Timeline/Deadline:

Plenary & Workshop sessions: The committee will begin reviewing proposals in January 2022 and will continue doing so until the agenda is complete. Our goal is to complete the competitive review process and select all sessions no later than 3/31/22.

Poster abstracts can be submitted anytime between 1/15/22 and 4/15/22. Posters should be identified as to which category to be considered for. Abstracts will be peer reviewed for acceptance.

Proposals should be sent electronically to: nyspa@nysperinatal.org

Acknowledgement & Notification:

All submissions will be acknowledged within 48 hours to confirm receipt and completeness.

Plenary and Workshop Proposals will be reviewed monthly and assigned a ranking. Selection decisions will begin being made by 2/15/22 and continue every 2 weeks until agenda is complete. Presenters will be notified either upon selection or by 4/14/22. Presenters **MUST** complete and return an acceptance agreement (including continuing education documentation) no later than 4/30/22. **Any selected session for which the presenter does not complete the acceptance agreement will be withdrawn from the program and replaced with an alternative presentation and speaker.**

Poster Abstracts will be reviewed on a rolling basis and no later than 4/15/22, with authors notified by 4/30/22. Poster authors **MUST** complete and return an acceptance agreement no later than 5/15/22 with a non-refundable reservation fee of \$25. The \$25 fee is to cover the cost of the board rental. Authors of accepted posters will be provided a 25% discount on the conference registration fee. **Any poster for which the author does not complete the acceptance agreement and submit the \$25 fee by 5/15/22 will be withdrawn from the program.**

Benefits of Presenting at NYSPA 2022:

The New York State Perinatal Association is committed to supporting and promoting best and promising practices and programs to improve pregnancy and birth outcomes; women's, newborn and infant health; and to advocating for the availability, quality and competency of the full array of needed perinatal health services in New York State.

Plenary Presenters: Your selection as a presenter at the 2022 conference will provide you with:

- ❖ An opportunity to showcase your expertise and your program.
- ❖ Recognition among your colleagues and peers
- ❖ Publicity through the conference brochure and the NYSPA media outlets.
- ❖ A complimentary one-year membership in NYSPA.
